... improving customer service and diversity cohesion through ethnic understanding!

DIVERSITY MANAGEMENT TRAINING

Transcending Borders offers on- and off-site Diversity Management training designed to help your leadership team (and other key stakeholders) keep pace with the rapidly changing face of today's expanding global marketplace. With this program, we help you and your employees:

- ❖ Recognize key concepts in Diversity Management
- ❖ Identify the role individuals play in Diversity Management
- ❖ Bring about tangible results and reap the benefits of workplace diversity
- ❖ Acquire skills and strategies associated with successful Diversity Management
- ❖ Understand the role of attitudes, values and prejudices in Diversity Management
- ❖ Develop a roadmap for achieving diversity within your own organization
- ❖ Boost employee motivation and productivity by promoting diversity

This training program is issued in (7) parts which help you achieve all of the above – *and more*:

- ❖ **PART 1:** Key Concepts in Diversity Management
- ❖ **PART 2:** Diversity Management at the Individual Level
- ❖ **PART 3:** Beneficial Effects of Diversity in the Workplace
- ❖ **PART 4:** Strategies for Successful Diversity Management
- ❖ **PART 5:** The Role of Attitudes, Values & Prejudices
- ❖ **PART 6:** Organizational Behavior & Diversity
- ❖ **PART 7:** Leadership & Diversity

Call (484) 278-6547 today to schedule Diversity Management training or request a consultation.

"[Your] briefing on Diversity and Inclusion ... reminded me how important respecting difference is." – Darryl T. Brown, *Federal Employee*
