... improving customer service and diversity cohesion through ethnic understanding!

LEADERSHIP & MANAGEMENT TRAINING

Transcending Borders offers Leadership & Management training for those seeking a back-to-basics refresher in professional development applicable to a range of industries. By clarifying the roles and responsibilities of strong organizational leaders, we help those in management:

- ❖ Lay a foundation for truly effective management
- ❖ Plan strategically for improved organizational success
- ❖ Promote a culture of awareness and excellence in the workplace
- ❖ Motivate employees and leadership teams to improve their performance
- ❖ Encourage growth and innovation by leading campaigns for organizational change

This training program is issued in (5) parts which help you achieve all of the above – *and more*:

- ❖ **PART 1:** Foundations of Effective Management
- ❖ **PART 2:** Strategic Planning & Success in Management
- ❖ **PART 3:** Proactive Approaches to Organizational Behavior
- ❖ **PART 4:** Leadership Awareness & Individual Performance
- ❖ **PART 5:** Innovative Leadership & Management

Call (484) 278-6547 today for Leadership & Management training or to request a consultation.

"[Your] briefing on Diversity and Inclusion ... reminded me how important respecting difference is." – Darryl T. Brown, *Federal Employee*
